

u3a NETWORK LINK SUMMER EVENT, June 9th, 2025, 1000-1230 - Zoom

The Network Link Team is inviting you to The Network Link Summer event, to be held via Zoom, on Monday, June 9th, 2025, 1000 to 1230m.

Our first speaker will be Alan Freeland talking about “Using AI to make leading within the u3a easier and less time consuming”. His talk will include:

1. What are AI Chatbots and what makes them different from IT that we are used to?
 2. Four general areas where AI Chatbots can help: Generating Ideas, Research, Creating text and images, Analysis and visualisation.
 3. Some examples of where and why to use AI Chatbots.
 4. Recommended AI Chatbots and other AI related tools to look at.
 5. Tips on having an effective conversation with an AI Chatbot.
- The talk will highlight the “what” rather than the “how” of using AI.

The second speaker will be Sheila Crawley who will talk about “Using Social Media”
Sheila has encyclopaedic knowledge of how to use social media to your advantage for your network and u3a. Find out what social media can do for you!

As usual we will end with a chance for you to “Air and Share”. Let me know in advance that you have something you want to raise, and I will call on you to speak at the meeting.

Attendance is free, and open to all u3a members from all u3as. If you cannot attend, please do encourage someone else to come along in your place.

Registration is via TicketSource – please click on this link
<https://www.ticketsource.co.uk/u3a-thames-valley-network/t-krjknjk>
and follow the instructions to register. (We are again grateful to our colleagues in the Thames Valley Network for their assistance with TicketSource).

Please answer the two questions on the booking form – if your u3a is not currently a member of a network, or if you are not sure which one, please say so.

If you have any problems with registration, please contact Avis Furness
at u3anetworklinkmeeting@gmail.com

The Zoom link will be sent out nearer the time to all who have registered.
