Our next meeting November 27<sup>th</sup> to be held at the Sea Cadets Southdene 10.00am for 10.30 start  
A welcome return for our guest speaker

## Malcolm Brookes – “The Cyprus Green Line”

This is an 180km long buffer zone between Greek and Turkish Cyprus where the UN tries to maintain a Status Quo. Malcolm gave us a very interesting talk last year on “Yorkshires Vanishing Coastline”.

As most of you will be aware we have been very lucky to have had Susan and Brenda to look after the catering for us for a long number of years and in recognition and appreciation, the committee were happy to present them each with a bouquet of flowers.

### Group News

Pat and Anthony's dining out group 2 had a very successful first outing to “The Bull” Gristhorpe where they were well received and were provided with a very excellent meal. The next planned outing will be on November 20<sup>th</sup> to the “Thai Orchard” in Scarborough. The Christmas day outing will be to the “Tikka Tikka” in Scarborough, who have an award winning chef. After the Christmas meal participants will be invited back to Pat and Anthony's house for homemade trifle, mince pies and coffees. There are still places available, if you are interested, contact 07891959784 [pat.anthony1@btopenworld.com](mailto:pat.anthony1@btopenworld.com)

The Kurling Group is now full, if you wish to participate and put your name down please contact David Smith 07903693466 [davidgsmith47@gmail.com](mailto:davidgsmith47@gmail.com)

We have been very lucky to have the use of the Golf Club facilities for groups, free of charge, thanks to Chris Callows influence. We now have 5 groups using the club with also the benefit of free car parking, if required. We, therefore, would like to continue to support the club, and thus encourage those members who partake of the club on a regular basis to take out a “Social Membership” £30.00/year, this included 20% discount on bar drinks.

We are very grateful to the golf club for allowing us the continued use of their facilities and would urge people to show their appreciation by either becoming a member or purchasing some refreshment. For those members who do not attend groups at the Golf Club the bar and restaurant are now available for the use of the general public. The food and cakes come highly recommended.

We still require committee members for next year, due to members retiring. If you think you would be able to contribute to the running of your u3a, please help. Your assistance will be most appreciated, just let us know then you can come along to a committee meeting and see how it works before making a decision.

Important Announcement for your attention:- We will not be able to collect any renewals before the A.G.M. in January due to the fact that the committee has to be elected and accepted by the membership and any alteration to the membership fees have also got to be approved.

We will not be having the traditional christmas food layout in December, there will be entertainment and nibbles. We have decided to devote the whole two hours of the March meeting to membership renewals, to avoid congestion, we will put on a food spread at this meeting. It will also provide time for members to mingle and present any queries or questions.
